Children's Services and Junior Den

The children's service follows a basic structure of davening through songs, learning about the parsha of the week or the festival, story time activities and kiddush. All children are then invited to join the chazan to sing Adon Olam in the main shul.

Shabbat mornings 11.15am-12: Children's service for under 7s in the lower hall

The Junior Den is a teen service involving discussion groups on the sedra and chagim. Fun games and delicious food, ages 12-16 years join the junior Den Facebook group
